None.

42/13. To agree a draft response to the Harrogate District Council Core Strategy Review: Initial Targeted Survey for Elected Members, Parish / Town / City Councils and Neighbourhood Planning Teams

MS thanked CH for his work in preparing a draft response to the consultation for consideration by the City Plan Committee.

The Group discussed the draft response and suggested that a third bullet point should be added to question 15, given the comments made in the City Plan consultation in relation to cycling. The wording of this bullet point was delegated to AW with a recommendation that it should focus on the land-use aspects of enhancing cycling provision within the City. All other aspects of the draft response were agreed.

Action 42.13.1: AW to finalise the draft response on behalf of the City Plan committee taking into account the comments made in relation to question 15.

Action 42.13.2: AW to submit the consultation response to Harrogate Borough Council on behalf of the City Plan Committee.

Action 42.13.3: AW to recommend to Ripon City Council that a similar consultation response should be made on behalf of the Council.

The meeting closed at 9.45AM
